# LETTER FROM PASTOR JOHN & WENDY

Mount Hope Church has been used by God for nearly 30 years to transform thousands of lives for Christ. While caring for the needs of the people and bringing restoration to hundreds of lives on a weekly basis, each week the "Pastors Minute" broadcast on local radio stations is heard by 81,000 listeners. Throughout the year our School of The Bible and Small Groups continue to disciple and transform. Our 12-week Maximum Impact Leadership Class has created over 700 graduates since the class began.

In the year 2017 more than 500 people gave their hearts to Christ through salvation! Now, more than ever, Mount Hope Church is "moving forward with intensity." As we begin with an exciting new year, we are truly "moving forward with intensity" on the first phase of the building initiative called "Project One." As Phase 1 unfolds, you'll see a lot more construction and changes taking place. If you've been faithfully giving to the building initiative – thank you! If you are new to Mount Hope Church or have not yet had a chance to participate, we invite you to join us!

My prayer is that in 2018 God would continue to bind us together as a close family of believers, and that everyone gets involved in working toward a bright hope for the future; seeing lives transformed, our community cared for and young leaders trained and equipped to shine the love of Christ in this world. The hope for a better tomorrow exists for Grand Blanc and beyond. Your participation counts in a huge way toward the advancement of the Kingdom!

Blessings,

*John & Wendy*

# ➤ OUR HISTORY

Met at  
Seifert's property.

Met at Grand Blanc  
Parks and Recreation.

First building erected  
on 8363 Embury road.

Since Mount Hope Church has occupied our Embury Road property we have grown a total of 6 expansions; the most recent being the new Children's, Youth and Main Auditorium.

## ➤ **THE URGENT NEED**

**To raise the additional funds and complete this \$980,000 project.**

\* See our website for monthly updated fund totals.

### **Immediate Challenges**

- Children are placed in multi-purpose rooms throughout building.
- Preschool classrooms are too small for the number of children.
- Our desire is to build debt free so we choose to raise all of the funds necessary and build for cash.
- The décor is outdated and lacking a captivating theme.

## **WHAT CAN I DO?**

**Pray:** Prayer is the roadmap for the journey we are on together. Gather your family and ask, "What would God have us do?"

**Commit:** Complete the Future Generations commitment card and continue your giving until the March, 2020 finish line.

## **FREQUENTLY ASKED QUESTIONS**

### **What has been done with the money donated so far?**

Since we began Project One we have raised \$346,000. Since then, we've also made a lot of progress. We have completed plans for the next 7 phases of future growth expansion. We completed soil sample testing and engineering with architects for our new Children's Wing Expansion. We now need to raise an additional \$630,000 to reach our goal of \$980,000.

### **Why are we building this Children's wing?**

God has called Mount Hope Church to reach this entire region. We believe this facility will be the first of its kind in Grand Blanc. We will be able to reach more children and families than we ever could and win them to Christ.

### **What is Future Generations Phase 1?**

Future Generations Phase 1 is an opportunity before our church to sacrificially give for the completion of the Children's Wing that will positively impact the families of this community for this generation and generations to come.

### **Will my commitment be made public?**

No. Your individual commitment will remain completely confidential.

# FREQUENTLY ASKED QUESTIONS

## **How does this process work?**

All who call Mount Hope Church home will be asked to make a commitment for the next 24 months. This pledge is over and above the normal tithes and offerings to the church. These commitments are then paid weekly, monthly or quarterly over a 24-month period beginning on commitment Sunday, February 25.

## **Will I have an opportunity to revise my commitment?**

Yes. You may revise your commitment, either up or down, at any time during the 24-month period by contacting the church financial office, 810-695-0461 ext. 212 Your information will remain confidential.

## **When will the collection of monthly Project 1 Campaign offerings begin and end?**

March 2018 – March 2020 (24-month commitment).

## **Will we build the Children's wing with out any loan?**

We will build the Children's Wing with no added debt- 100% cash.

## **When will the construction be started and completed?**

We can begin with the excavation and outside shell of the building as soon as we have raised 50% of the goal. The project can be completed approximately 6 months after the remaining funds for the goal are achieved.
